Marketing Stimulus Plan

We here at Sysco value your business and understand that the economy has affected all of us. Due to these hard times we would like to extend our appreciation to our customers with a **Marketing Stimulus Check**.

We have created a **Marketing Stimulus Plan** to help you generate more business and fill more seats more often. Your stimulus check will be in the amount of **\$750**. The check will go toward the purchase of a new marketing Website from OrderEze.com. Please contact OrderEze.com, your MA, or Business Resources Manager to find out more details.
